PRATTVILLE DIXIE YOUTH 9 AND UNDER TEAM STATE CHAMPIONS AND WORLD SERIES PARTICIPANTS

Congratulations to the players and coaches of the 9U Dixie Youth Baseball Team on their state championship and their participation in the World Series. This team was undefeated in the state tournament with three come from behind wins. They traveled to Center, Texas for their first visit to the Dixie Youth World Series on July 20 and went 3-2. We are so proud of their accomplishments this season.

NORTH HIGHLAND PARK IMPROVEMENTS

PARDON OUR PROGRESS...

while we improve North Highland Park.

Residents can expect big changes coming soon to North Highland Park. These improvements include new playground equipment, removal of trees, a new restroom facility, new benches and tables, and expanded walking area. There will be more announcements to come! These improvements have been a long time coming but we hope to keep updating our parks to better serve our growing community and improve the quality of life in Prattville. Make sure to keep an eye out for updates and announcements about North Highlands Park on our social pages and website.

NEWTON PARK IMPROVEMENTS

The Newton Park Tennis Complex Improvement Project is in full swing! The park will include a wide range of amenities for people of all ages to enjoy, including renovation of existing tennis courts, playground upgrade, additional 5 new tennis courts, parking lot upgrades, 4 new pickleball courts, upgraded restrooms facilities, and a skate park area. We are thrilled to see this project coming along!

STANLEY-JENSEN STADIUM RENOVATIONS SCHEDULED TO BEGIN THIS FALL

The Prattville City Council approved and awarded the bid for renovations to Stanley-Jensen Stadium. The project was awarded to Wyatt Sasser Construction LLC and is set to begin this fall.

This renovation will see every building except for the existing home stands torn down. It is estimated to be completed by the end of 2024. Demolition on a few existing buildings began in April. Spectators and athletes can expect a lot of changes.

The existing home stands will become the visitor's stands, and the current visitor's stands will be torn down to become brand-new home stands. In addition, the new home side will be equipped with a new press box, bleachers, restrooms, locker rooms, and concession areas. "Friday Night Lights" will still be happening this fall and the Prattville Lions will continue to take the field for home games during the 23-24 season.

We are excited for these upgrades to enhance the atmosphere of our sporting events at Stanley Jensen Stadium. For more information, call the Parks and Recreation office at 334-595-0800.
